This request must be signed in compliance with 37 CFR 1.33(b) and submitted with the application upon filing.

Applicant(s) may rescind this nonpublication request at any time. If Applicant(s) rescind a request that an application not be published under 35 U.S.C. 122(b), the application will be scheduled for publication at eighteen (18) months from the earliest claimed filing date for which a benefit is claimed.

If Applicant(s) subsequently file an application directed to the invention disclosed in the attached application in another country, or under a multilateral international agreement, that requires publication of applications eighteen (18) months after filing, the Applicant(s) must notify the United States Patent and Trademark Office of such filing within forty-five (45) days after the date of such foreign or international application. Failure to do so will result in abandonment of this application (35 U.S.C. 122(b)(2)(B)(iii)).
